

Learn-to-Skate Registration FALL/WINTER 2021

When

Saturdays (9am-9:50am) – 6 weeks – October 30 thru December 11; no classes on November 27; session/series begins with a costume party & ends with a holiday celebration. More details to follow.

Fee Structure

\$99 (plus \$18 Learn to Skate USA annual membership*) Sibling discount \$10 on class only, not annual membership

*annual memberships are valid July 1-June 30 (visit www.learntoskateusa.com to learn more about your member benefits)

LTS Program

All classes are 50 minutes (includes instruction and structured practice/free time activities). Skaters are grouped according to their skating ability and will be tested at the end of each session/series. Certificates and/or badges will be provided to the skater upon mastering the skills within the various levels.

Preparing for the 1st Day of Class

Arrive at least 15-20 minutes early to have enough time to lace up your skates and be rink side, ready to skate. **Skates are available to skaters registered for no additional cost.** Dress warm. Plenty of layers along with a jacket is suggested. Gloves and mittens are needed to protect hands as skaters learn to fall and stand back up. As for feet, one pair of lightweight socks or thinner tights work best. Helmets are suggested for skaters 6 years old and under.

Cash, charge or check payable to IMS Iceland
